1500 Attend Haliburton Snowmobile Rally

An estimated 1,500 people were on hand for the First Annual Snowmobile Rally held at the Rotary Beach at Haliburton on Sunday afternoon. Blessed with near perfect weather the Rally attracted people from all parts of Haliburton County with contestants present from as far away as Toronto. The large crowd started to assemble at 12 o'clock, an hour before the activities began.

The huge crowd which lined the Rotary Beach and other sections around Head Lake was far above anything anticipated by the promoters and the refreshment booth was practically sold out midway through the afternoon.

Entries in the races were received from Scarborough, Minden, Haliburton, Stoney Lake, Lakefield, Peterborough and other centres. Members of the Kawartha Snowmobile Club of Peterborough were here in a group and entered most of the races.

Garry Irwin of Stoney Lake was the big winner of the afternoon taking first prize in the Cross Country and Obstacle race and placing second in the 5 Mile race.

The Prentice family from Minden was well represented with Paul Prentice taking top honours in the Junior and 5 Mile races while another member of the family, Bonnie Lee Prentice, was first in the Ladies' Powder Puff race.

The Haliburton Branch 129 of the Royal Canadian Legion who sponsored the event, are to be congratulated in the success of the day and we are hoping that this will be a start toward a three or four day winter carnival to be held in Haliburton in the near future.

The Legion who will be making the Snowmobile Rally an annual event are already making plans for next year. The businessmen of Haliburton are also to be congratulated for contributing financial help toward the event.

Among those who contributed toward the success of the above event were the following businessmen: Stan Parish, Lloyd Coneybeare, Vance English, Walling's Dairy, McGuire's Restaurant, Boice Motors, Haliburton County Echo, Laurentian Pharmacy, Kosy Korner, Rae's Hardware, Miller's Groceries, Haliburton Machine Shop, Keith's Barber Shop, Pollard's, Highland Shoe Store, Bank of Montreal, Elstone's Sunoco Service.

The Legion are grateful to Tom Curry and Art Larch of the Imperial Tobacco Company for their efforts in the day and for supplying the sound truck and equipment, and also special thanks to George Wheeler, CNR Branch Manager, freight sales.

Joe McCauley of Belleville was the winner of the lucky draw on ticket no. 335.

The following is a list of the races and prize winners:

First Race, Powder Puff, Dr. H. E. Good Plaque — 1st, Bonnie Lee Prentice, Minden; 2nd, Wendy Nesbitt, Minden; 3rd, Jo Ann McNaughton, Peterborough.

Second Race, Obstacle, Beaconbrook Trophy — 1st, Garry Irwin, Stoney Lake; 2nd, Christopher Carroll, Haliburton; 3rd, John Curry, Haliburton.

Third Race, 5 Mile, Lloyd Moore Plaque — 1st, Paul Prentice, Minden; 2nd, Garry Irwin, Stoney Lake; 3rd, Larry Wood, Peterborough.

Fourth Race, Free For All — 1st, Wayne Lazure, Peterborough; 2nd, Larry Robertson, Peterborough; 3rd, Larry Wood, Peterborough.

Fifth Race, Junior, Legion Plaque — 1st, Paul Prentice, Minden; 2nd, Mike Server, Lakefield; 3rd, Nancy Wyatt, Peterborough.

Cross Country Race, 12 miles, Tip Top Tailors Trophy — 1st, Garry Irwin, Stoney Lake, 40.34 minutes; 2nd, Wayne Lazure, Peterborough, 43.19 minutes; 3rd, Peter Curry, Haliburton, 44.29 minutes.

Police Can Win Conviction If They Want, Defence Counsel

LINDSAY (ENS) — A Kinmount youth who, police said, drove almost blind during a half-mile chase on Feb. 20, was fined $50 and costs by Magistrate Ian Munro Monday for careless driving.

Victor Swinson, 20, was also fined $10 and costs for operating an unsafe vehicle and $10 and costs for illegal possession of liquor.

The court was told that during the chase on icy, snow-covered roads, the Swinson car was driven without the use of windshield wipers despite a heavy falling snow. The car had no emergency brake, a foot-brake in poor condition, no right front headlight, no parking lights and little tread on the tires.

The court was also told that the muffler was broken and

Minden Midgets Start Playoffs

The Minden Midgets will be starting their O.M.H.A. play-offs this Thursday night, March 4th when they meet the Lakefield Midgets in Lakefield. The second game of the series is scheduled for the Minden Arena this Saturday night, March 6th.

Deputy Fire Chief Resigns

We have just learned that the Haliburton Fire Department is about to lose one of its most popular and valuable members in the person of Deputy Chief Jack Hunter.

It is owing to health reasons that Jack has been forced to hand in his resignation as second in command of the fire brigade and we can be sure that this document will be received with much regret.

Jack Hunter has been a member of our fire brigade since 1946, and became Deputy Chief in 1956. During that time he has rendered invaluable service. Ever cool in the face of an emergency his conduct in the line of duty proved an inspiration to other members of the brigade with the result that we have in Dysart a fire department that ranks with the best to be found anywhere.

We as citizens of this area, share with members of the fire brigade their regret of the circumstances which have resulted in his resignation and at this time we should tender him a vote of thanks for the services that he has rendered this community in his capacity as fireman and deputy chief over the past 19 years.

Robert G. (Jerry) Moffitt Passes Away

Robert G. (Jerry) Moffitt, a well known and popular citizen of Haliburton passed away here on Friday, February 26.

The deceased was a very likeable fellow and as owner and operator of the well known eating spot known as the Highland Restaurant, he made a wide circle of friends who were shocked to hear of his sudden passing.

While it was known that he had a heart condition, he had been about our main street on Thursday afternoon, thus we were startled to learn on Friday morning that he departed from us.

At the time of his demise he was in his 55th year, and was the dearly beloved husband of Marion Balmer; dear father of Alan of London, Ont. He was the son of Ethel and the late Robert Moffitt, and dear brother of Clair Ross.

The body rested at the Funeral Chapel of John Welch and Son, Minden where a short service was held, thence to the Cook Funeral Home, Toronto where the funeral service took place in the chapel on Tuesday at 1 p.m.

The sympathy of this community goes out to Marion Moffitt in her hour of sorrow.

Minden Monarchs Beat Highlanders

Last Saturday night in an exhibition hockey game at the Minden Arena, the Minden Monarchs defeated the Haliburton Juvenile Highlanders by the score of 7 to 3.

Ron Stackhouse scored all three Highlander's goals.

Bonspiel On Sat.

A one day Mixed Bonspiel will be held at the Haliburton Curling Rink on Saturday, March 6th. Sixteen rinks have entered the bonspiel and others had to be turned away.

Dies At Scene Of Fire

Nelson Vangeeson was found dead half way from his burning home to the road early on Tuesday morning.

Mr. Vangeeson who was in his 86th year, was living alone and it is thought that he may have aroused early, replenished the fire and possibly dozed off and awoke to find his home ablaze. Though able to get away from the burning building, the shock proved too much for a person of his age and he collapsed and died in the snow.

It was Malcolm Bacon who noticed the fire and noticed Mr. Vangeeson lying in the snow. The Minden Fire Department were called and were on the job as soon as possible but they found that nothing could be done as far as saving the building was concerned.

We learn that this building was formerly owned by Mr. Edward Vangeeson and was considered quite an old landmark by citizens in Lochlin and area.

Doctor and Mrs. Harris Moore Gray wish to announce the engagement of their daughter, Elizabeth Marjorie, to Walter Leon Hobden, son of the late Mr. and Mrs. Walter Scott Hobden. Wedding to take place March 27, 1965 at Parkdale Presbyterian Church, Toronto, Ont.

Minden Bantams Tie Hockey Series

The Minden Bantams came back last week with a 4-3 win at the Minden Arena to tie their first O.M.H.A. play-off series with Bancroft at one game apiece. Bancroft took the first game by a score of 5-0 in a game played at Bancroft.

Paul Wilson with two goals and two assists led the Minden team to victory while Roger Scheffee and Bruce Rockory scored singles to round out the scoring.

Carnarvon Ski Report

Skiing conditions are excellent at Carnarvon with the runs covered with snow to depths of 18 to 30 inches.

The final classes for learners will be held on Saturday from 10 to 12 a.m.

Weather Report

The Firemen and the Legion have been having a series of euchre contests and after the second round our fire fighters are away out in front by 160 points. But there is still another round to go, even so it will take a miracle for the Legion to secure a win in this series. In the last contest we learn that two parties, namely Dr. Good and Frank Roberts, who usually have pretty fair luck playing euchre were winners of the booby prizes. Guess we all have our off nights.

Two hour parking is now the rule on Highland Street and on Maple Street extending from our main street to the Municipal Hall. Parking regulations are somewhat relaxed during mid winter but people coming into town have lately been complaining that they cannot find a place to park. If you break the two hour parking rule and want to find someone to blame, "Just take a peak in the looking glass".

ST. ANTHONY'S R.C. ALTAR SOCIETY

The January meeting was held at Bonnie View Lodge and there was an attendance of seven members. A baby shower for one of our members was given and many lovely gifts were received. It was decided at this meeting that our next meeting would be held at the home of Mrs. Jean Exley.

The February meeting was held with nine present. The minutes and treasurer's report were read by Mrs. Eva O'Hara in the absence of our Secretary. Plans for future projects were discussed. A reading of the Bible by Mrs. Sweeney followed.

Our meeting closed with prayer read by Mrs. Eva O'Hara. A very delightful lunch and social hour followed.

No If's, No Maybe's No But's

Many years of scientific research have led to the following conclusions, accepted by the vast majority of medical specialists in diseases of the breathing system.

Cigarette smoking tends to damage health and shorten life. The more cigarettes smoked, the greater the damage. The sooner smoking stops, the better chance for normal health and life span.

Cigarettes can kill you — No If's, No Maybe's, No Buts! Many people start smoking 'moderately' and end up as heavy smokers. Many start "just for a while" and keep on smoking until they die. If you're not smoking cigarettes, the time to start is NEVER! If you are smoking cigarettes, the time to stop is NOW!

LINDSAY (ENS) — The playing of "O Canada" prior to the start of last Saturday afternoon's meeting of the Victoria, Haliburton, Ontario North Progressive Conservative Association annual meeting resulted in one party member leaving the town hall building.

The member who refused to divulge his name, was in the hall outside the council chamber about to don overshoes and coat when the audience stood for the playing of 'O Canada'.

"Oh no!, this is too much. First we have that Japanese-looking flag rammed down our throats by Pearson . . . and now we are singing 'O Canada' instead of 'The Queen'," said the elderly man.

He stood for a few seconds, shook his head twice, and then proceeded to take his coat from the rack and leave the building.

Post Office Releases Details Of Canadian Flag Stamp

Details of a commemorative postage stamp depicting Canada's new flag were announced last Friday by the Honourable Rene Tremblay, Postmaster General. The new stamp is to be placed on sale June 30th to coincide as closely as possible with Canada's national holiday.

The flag stamp will be printed in red and blue and will be of the horizontal large size. The flag, main theme of the stamp, will be in the official colours of read and white and the background will be blue. The only wording to appear on the stamp will be "Canada", in the top right corner, the words "Postes-Postage" along the lower right border and a large five in the lower left corner.

In making the announcement, Mr. Tremblay explained that the Department expected a greater demand for the new stamp than for other commemoratives. As a result, some 35,000,000 stamps are to be printed as compared to the usual 27,000,000. The stamp was designed and is to be printed by the Canadian Bank Note Company Limited.

SUGAR AND SPICE
by Bill Smiley

THEY COULD HAVE ASKED ME!

That aging enfant terrible, Pierre Berton, has churned out another book. With the encouragement of the Anglican church, he took what was supposed to be a long, hard look at contemporary Christianity.

According to the critical reviews, the result, entitled The Comfortable Pew, turned out to be a short, soft look.

For years I have envied Berton for a number of reasons: his facility with words; his TV interviews with gorgeous dolls; his colossal gall; his big, fat income. Every time the big fuzzdome scores another coup, I get the green sickness.

But this is different. My jealousy is complicated by sheer hurt. If the Anglicans wanted somebody to write a book about them, why did they turn to a back-slid Anglican like Berton when they had a front-slid Anglican, me, available.

Like most converted Anglicans, I was hauled, kicking and struggling, into the fold, on sexual grounds. My wife was an Anglican.

At first, she used to shame me into accompanying her to church a couple of times a year. Then the outfit fastened its tentacles to the kids and first thing I knew I was going to Bible Class pageants and Sunday School picnics.

The pressure increased. "Wouldn't it be lovely," she speculated with that phoney wistfulness that makes you want to run for the nearest exit, "if you could be confirmed at the same time as your little son?"

I dug in my heels. I refused to join in the general confession, because I could hear my mother, with her solid Methodist background, groaning in her grave every time we came to that bit about believing in the holy Catholic church. I wouldn't kneel, but just sort of crunched down, like my Ulster Presbyterian father.

To cut a long conflict short, I was confirmed at the same time as my son. And frankly, I must admit that once the last rug was pulled from under my feet, I've enjoyed every minute of it.

Now I can mumble the general confession and the creed with the best of them. And I take a certain childish pride in kneeling, straight-backed, through the long communion service, when all about me — other people my age are groaning and reverting sneakily to a squat, a crouch, or a mere bending of the head. Sometimes my family has to lift me back into the pew and massage my knees so that I can come up for the next hymn, but it's worth it.

One thing I like about the Anglicans; they keep you busy. None of this stuff of sitting there dreaming for an hour while a preacher wanders through the dark forests of his own interpretations. They have you popping up and down like a jack-in-the-pulpit, on your knees praying, on your feet singing, or on your seat getting your wind back.

Another thing I like about Anglican services is the prayers. I don't think I could ever go back to those interminable, homemade prayers in which the preacher acts as though God had nothing better to do on a busy Sunday morning than listen to him displaying his eloquence and endurance. At least, in the Anglican ritual, you can craftily flip over the page and be reassured that there are only two more paragraphs of the thing.

Last, and I hesitate to say this, I like being an Anglican because of the snob in me. Anglicans, if pressed (up against a wall with a knife at their throats), will admit that some other faiths have certain merits. But underneath, they know that a good Anglican is a couple of jumps nearer heaven than a good R.C. or Methodist or Baptist or Presbyterian.

In this way, they are exactly like good R.C.'s, Methodists, Baptists and Presbyterians. But it's heartening to those who lack confidence.

I told you they picked the wrong fellow to write that book.

Oshawa Wholesale Ltd. Increase Sales

Net earnings of The Oshawa Wholesale Limited increased 32.8 per cent in the year ended January 23, 1965, and sales rose 20.4 per cent, surpassing the $100,000,000 mark for the first time, Ray D. Wolfe, President, reported.

Oshawa's annual report, now in preparation, will show sales of $106,867,754, compared with $88,748,780 last year.

Net earnings were $1,577,132, compared with $1,187,380 last year. Profits per share increased 31.1 per cent to $1.35 on 1,166,796 outstanding shares, compared with $1.03 on 1,151,396 shares last year.

The Company also announced that the Board of Directors has adopted a new policy of quarterly dividend payments. Oshawa this year will pay eight cents per share quarterly for an annual total of 32 cents, an increase of 35 per cent over last year's payment of 25 cents per share, and the fourth dividend increase since 1960. The first quarterly dividend will be paid March 15 to shareholders of record March 8.

Court Rules Teenager Left Accident Scene

LINDSAY (ENS) — Lawrence Anderson, 18, Kinmount, was fined $50 and $16 costs last Monday for failing to remain at the scene of an accident.

Magistrate's Court was told that Anderson was the driver of a car involved in an accident with a car driven by Charles Hodgson, Burnt River Feb. 13 on Highway 121 near Kinmount.

Mr. Hodgson said the Anderson car failed to stop after the accident which occurred when Anderson was leaving a stop street.

He said he stopped about 100 feet from the scene of the accident and stayed there about 12 minutes inspecting the damage to his car. Mr. Hodgson said Anderson did not return during this time.

Anderson testified that his brakes failed as he came to the stop sign. He claimed he swung his car in order to avert a collision, but scraped the Hodgson car.

He said he stopped his car at the top of a hill and when he returned to the scene he could find no trace of the other vehicle involved in the accident.

EAGLE LAKE

Deepest sympathy is extended to the family of the late Harry Henry who died suddenly last week following a heart attack. He was in his 35th year.

Mr. and Mrs. Gordon Henry, Mr. and Mrs. Jack Burke and Dale Henry were week-end visitors with their parents.

Mr. Jack Morrison of Toronto spent the week-end at his home.

Congratulations to Mr. and Mrs. Gary Burke (nee Sheila Bain) whose marriage took place in Haliburton on February 26. Many from here attended the reception the Canadian Legion Hall. The young couple will make their home in Oshawa.

Among guests at the Burke - Bain wedding were Mr. and Mrs. Willis Bain of Gerard, Ohio; Mr. and Mrs. Mervyn Bain of Toronto, Byron and Ivan Bain of Oshawa.

Mr. Wilbert Bain is a patient in Toronto General Hospital, following surgery. A speedy recovery to him.

Mr. and Mrs. M. McCauley of Oshawa were week-end visitors. Mr. Ray Peters returned home with them.

Mr. and Mrs. Ellwood Peters and Dorothy of Millbridge spent the week-end with the Carmen Peters.

Mrs. Don McGuire and children who have been visiting with Mrs. R. Moore have moved to Willowdale.

The snow storm played havoc with many districts including our own community. Some of the school children did not arrive home until 9 p.m.

Mr. and Mrs. E. Carpenter and Albert visited on Sunday with their daughter and son-in-law, Mr. and Mrs. Roger Bellwood of Fenelon Falls.

Mr. and Mrs. Harold Northcott and Mr. Gordon Northcott of Lochlin and Mr. and Mrs. Percy Burk visited Wednesday evening with Mr. and Mrs. Everett Burk.

Mrs. Verna Wagg and Linda and Mr. Tony Salvatori of Haliburton visited on the week-end with relatives in Toronto.

Mr. and Mrs. Doug Eastman and family of Minden called on Mr. and Mrs. Wm. Eastman on Sunday.

Mr. and Mrs. Ivon Carpenter and Robert of Fenelon Falls visited on Sunday with Mr. and Mrs. Pete Robinson.

Mr. and Mrs. Wm. Rodenberg and Herbert were business visitors to Toronto on Wednesday.

Mr. and Mrs. Everett Burk visited on Sunday with Mr. and Mrs. Geo. Elstone.

Mr. and Mrs. Harry Burk, Bob and Leitha visited Sunday evening with Mr. and Mrs. Percy Burk.

Mr. Garry Burk and Miss Kathy Robinson visited on Sunday in Bobcaygeon and Lindsay.

A number attended the Snowmobile Rally held at Haliburton on Sunday. The weather was ideal for the event.

Balsam Trees Can Regain Lost Markets

LINDSAY (ENS) — Attendance at two field demonstrations arranged by the Department of Lands and Forests for bush lot owners was disappointing, but the interest was high, said E. F. (Pud) Johnston.

The department timber branch supervisor said 12 attended a demonstration held near Kinmount and 10 were at a similar demonstration at Apsley.

The meetings were arranged to acquaint owners with the potential of the balsam fir as a Christmas tree.

It was explained to those attending that an axe, a pair of hedge shears and a pair of clippers judiciously applied in the culturing of balsam fir would have the effect of upgrading this species and placing it once more in the forefront of the annual Christmas tree market.

Mr. Johnston said another meeting will be held in the fall.

A GENERAL MOTORS VALUE

Parisienne Custom Sport Coupe

There's much, much more to the Pontiac success story than outstanding good looks

Parisienne Sport Coupe

Pontiac's new perimeter chassis gives you greater strength and rigidity for a quieter, safer ride. Its improved suspension gives you new smoothness on the roughest country roads. Its new wider track gives you improved cornering power. Its new steering gives new meaning to precision handling. Its bigger doors and flatter floor give you even more room and travelling comfort. And you get famous Magic Mirror finish, Body-by-Fisher quality, water-washed air-dried rocker panels, Delcotron generator, deep twist carpets, foam cushioning, cigarette lighter, dual sunshades, locking glove box, 2-key locking system, crank-operated ventipanes and the widest Pontiac choice ever: 40 models, 17 colors, 4 transmissions, and engine selection ranging from 140 hp in the economical yet lively Astro-Six to 400 hp. All of which proves rather conclusively how one success can lead to another.

Letters to the Editor

February 24, 1965.

Mr. B. Feir, Editor,
Haliburton County Echo,
Haliburton, Ont.

Dear Mr. Feir:

On behalf of the Haliburton County Tuberculosis and Health Association I wish to thank you and your capable staff for all their support over the past year. We especially appreciate your assistance during the Christmas Seal Campaign which is now drawing to a close.

It is of great interest to your readers to know that many residents of our county have contributed to this fight against TB. Whilst money is necessary, the constant search for unknown cases is what will determine our success. Only the maximum use of case-finding facilities will help us to reach the goal of a tuberculosis-free county. This is why in co-operation with the Department of Health we promote tuberculin testing and x-rays continually — the only way to find these unknown cases.

By presenting this situation before our county, along with information on respiratory diseases and other health aspects you perform an important health education service for our citizens. Awareness in attacking a problem is essential.

Your readers will be interested to know the International Union Against Tuberculosis Conference will be held in Munich, Germany in October of this year. Few countries have tuberculosis under control as well as we have in Canada, a fact for which we are very thankful.

Again, we thank you sincerely for such fine public service in helping us to bring the facts about tuberculosis and related diseases before the public.

Gratefully yours,
M. P. WADDELL, Pres.

GOODERHAM

LORNE HENRY HUNTER

There passed away at his home on Sunday, February 21, 1965 one of the best known and friendliest citizens in the person of Lorne Henry Hunter, who was in his 80th year.

Surviving him are his wife, the former Janet Gould; one daughter, Mrs. Wm. McMahon (Irene) of Lindsay; four sons, Ivan of Ottawa, George, Jack and Bill of Gooderham. Two sisters also survive, Mrs. Fred Raby (Blanche) and Mrs. Gordon Lake (Reta) both of Lindsay; and one brother, Robert of Gooderham.

A sister, Mrs. Charles Fadden (Laura) and four brothers, John, William, George and Charles predeceased him.

There are several nieces, nephews, grandchildren and friends who will miss the welcome they received from him when they visited at his home.

The funeral was held from the United Church on Tuesday afternoon at 3 p.m. Interment was at Gooderham Cemetery.

Mr. Kenneth McAllister conducted the following service with Mrs. R. Fotheringham playing the hymns which were "What a Friend We Have in Jesus" and "Rock of Ages". Psalms 121 and 23, and also the Lord's Prayer were repeated. The scripture was Psalm 91: 1-12.

A message of comfort was spoken to the bereaved family and prayers were offered. The service ended with a beautiful poem entitled "He Lived a Life".

Being a life long citizen of Gooderham, the deceased was prominent in many activities, one of which was his keen interest in the Hunter lumber business.

Many beautiful floral arrangements attested to the esteem in which he was held.

The pallbearers were six grandchildren, Jack and Don McMahon, Lorne, Oswald, Murray and Larry Hunter.

Many from a distance and surrounding district attended the funeral.

Sympathy is extended to the bereft family.

The Friendship Circle for the month of February was held at the home of Mrs. Harry Winder with several ladies present, who enjoyed a social chat while working at sewing, crocheting, knitting, etc.

Two ladies, Mrs. Sisson and Mrs. J. E. Pickens, had February birthdays. Mrs. Barr baked a cake and "Happy Birthday" was sung.

The March meeting will be at the home of Mrs. Carl Sisson.

* * *

On Sunday morning the W.M.C. of the Pentecostal Church had charge of the service, with the vice-president Mrs. Frank Dewey, as chair lady.

Suitable hymns were sung with Mrs. Gloria Billings leading. The Scripture, Romans 12, was read by Mrs. J. J. Hunter, followed by Mrs. Isabelle Wait and Mrs. Thos. Dovell offering prayers.

Mrs. Aldridge Hunter read a Missionary poem and Mrs. Mabel Hunter gave a report of the W.M.C. work. Mrs. Douglas Simmons sang a solo. Mrs. Campbell, president, as pianist also gave the topic entitled "This is the Hour".

The regular offering was received by Mrs. Sisson and Mrs. Louis Mintz, while the W.M.C. offering was received by Misses Sharon Hunter and Helen Billings and will be sent to further the cause of missions.

Mr. and Mrs. G. W. Barr have gone to Florida.

On Saturday evening at Wilberforce, the Gooderham hockey team defeated Kinmount 7-0.

NEWS NOTES

SNOW AND ICE

I wrote a line to County News
About my shovelling trouble;
Nature kindly took a hand
And left little snow to shovel.

She really took the snow away
Which we thought was nice;
But I would rather shovel snow
Then try to walk on ice.

My wife she said, now listen here
You really have some gall;
If you go out upon that ice
I'm certain you will fall.

I said, oh heck, I'm not afraid
I'll really take a chance;
My feet shot out from under me
And I lit on my pants.

It sure gave me one awful jolt
And took me down a peg;
I was awful lucky
I didn't break a leg.

Now we have a lot of snow
Which covered up the ice;
So I will keep the walks cleaned off
And listen to my wife.

CHURCH NEWS

SPECIAL FILM MEETING THIS FRIDAY

The Christian Fellowship Club of the Haliburton Highlands Secondary School, in co-operation with the Youth Rendezvous of Haliburton County, will be sponsoring a showing of "The Tony Fontane Story" this Friday evening at 8 p.m. in the High School Auditorium. People of all ages and churches are welcome.

"The Tony Fontane Story" is the unbelievable, yet true story of one of the world's greatest singers. Filmed in Hollywood, it is the first Christian, dramatic musical ever produced. The purpose of the 79-minute, color production is to dramatically present Tony Fontane's personal testimony, showing to teenagers and adults alike that the answer to life and the hereafter is found only in the person of Jesus Christ.

Tony acquired nation-wide success when his hit record "Cold, Cold Heart", sold more than a million copies. He recorded other hits including "Syncopated Clock" "Bring Back the Thrill", and "Vanity". Two of his most outstanding albums were "Showboat" recorded with Sophie Tucker, Patti Page, and Tony Martin; and "Sunny Side of the Street" recorded with Vic Damone, Frankie Lane, and Billie Daniels. His recording of "I Talked to the Trees" held first position on the Australian hit parade for 16 consecutive weeks.

As guest soloist, Tony appeared on such national TV shows as The Ed Sullivan Show, the Steve Allen Show, The Hoagie Carmichael Show, and many other New York and Hollywood programs. He was privileged to have his own radio and television show, "The Tony Fontane Show". He was featured as the star of Emile Littler's London success, "Brewsters Millions", the well known musical comedy. As a tenor singing star, he attained international success appearing in the world's most famous night clubs and theatres.

Tony's wife, the former Kerry Vaughn, was a professional actress when she and Tony were married fourteen years ago. After their marriage, Kerry continued performing on the stage and in night clubs around the world and appearing in many Hollywood motion pictures.

It was a peaceful, sunny September afternoon in 1957 as Tony Fontane, filled with the excitement and satisfaction of a successful rehearsal for a TV network show, was driving in the San Fernando Valley. Suddenly there was an ear-splitting crash. Everything went blank. Thirty days later, Tony regained consciousness. It was this automobile crash that brought Tony, Kerry and their daughter, Char'ae to a knowledge of Jesus Christ. For their new-found Lord, they left their lucrative careers to enter full-time Christian work.

Tony and Kerry have dedicated their God-given talents to the service of their Saviour and use these talents to portray themselves in this motion picture epic. R.C.A. Victor has recorded a souvenir album of the songs used in this motion picture, entitled "Songs from the Tony Fontane Story". The linear on the back cover of the album was written by Dr. Billy Graham. A quote from that is as follows: "The Bible says, "I will sing a new song". Certainly this is true of Tony Fontane. This music portrays in the language of the soul the message which I also proclaim - the Gospel of Jesus Christ. I am thrilled with the ministry of Youth Films, and I believe it's potential is unlimited. I do not know of a greater work for Christ anywhere."

Tony Fontane at present is a religious recording artist for R.C.A. Victor while appearing in Christian concerts across the world.

Billy Zeoli, Vice-President of Gospel Films, in charge of Youth Films Division, has served as Executive-Producer of "The Tony Fontane Story".

Surveys Will Determine District Fish Potential

LINDSAY (ENS) — Details of a proposed fisheries management program for the Highlands of Haliburton fisheries management unit, were outlined last Thursday by Ronald Christie, District Biologist of the Department of Lands and Forests.

Mr. Christie said the unit takes in all of Haliburton County and the northern portion of Peterborough County.

Lake trout, brook trout, smallmouth bass, walleye and maskinonge are the principal game species to be found in the waters of the unit.

In addition, some rainbow trout have been introduced into selected waters and are becoming an increasingly important species in the two counties.

BASIC INFORMATION

The biologist said the program was designed to obtain basic biological information from certain waters in this area and to apply these findings intelligently.

He said it is proposed to select some of the more important lakes and carry out netting and marking surveys in order to accurately assess population densities and interspecific relationships of game fish.

These surveys would be carried out for a minimum of three successive years on each lake, after which data will be analysed. If sufficient data has been obtained, a new series of lakes will be chosen for a similar program.

He proposed that in July and August work be carried out on smaller brook trout lakes in order to ascertain the advisability of hatchery plantings, the contribution of the same waters already planted and the basic physical and limnological characteristics of the lake.

It is also proposed to undertake surveys on the following lakes this year: Chandos, Crystal, Loon, Four Mile, Haliburton, Jack, Pine, Grass and Stormy.

Rotary News

The Haliburton Rotary Club met at the United Church in Haliburton on Thursday night last. Absent were Lester Walling, Martyn Best, Harold Herlihey, Harold Proctor and Verne Graham.

Following our dinner we had a rousing sing song led by Frank McIntyre with Mrs. J. A. Robertson at the piano.

We were pleased to welcome two guests, Roy Oliver of Toronto and Roy Brohm of Haliburton.

We are pleased to report that last week we had another of our 100% meetings.

In an earlier edition we stated that we stood 9th in attendance in the world. After checking the figures we now realize that we are in 4th position. This is a real accomplishment.

Birthday congratulations go out this week to Rotarian Ken Wilson, manager of the Bank of Montreal here.

Secretary Jack Robertson read the minutes of the last directors meeting when it was decided to send $100.00 to help buy X-Ray equipment for India. All clubs in District 701 are contributing to this cause.

A letter was read from the Swansea Rotary Club asking us if we would submit the names of two of our main money making projects to them. It was decided to write and tell them that our two most financial successes are the Auction Sale and the Annual Rotary Carnival.

Bill Emmerson who attended the Kinsmen Club - Rotary banquet held at Bonnie View Inn last Wednesday night gave a report on that fine evening.

Don Thrush, Chairman of the Easter Seal Campaign reminded us that the drive will start on March 18 and continue to April 18. He has set our goal this year for $1,000.00.

Our program consisted of a trip to Scotland via film, the courtesy of Homer Brown and the C.N.R.

Lands and Forests Report

SNOW DEPTHS

Some snow fell during the past week adding 2 to 3 inches to the accumulation reported last week.

Area	Ground	Rooftop
Apsley	14.4"	4"
Gooderham	14.1"	7"
Minden	15.8"	8"
Haliburton	14.0"	7"

Black bear were apparently numerous in the Lindsay District during the period of the deer hunt last fall.

A total of 158 were bagged in two weeks by deer hunters, which is several times the number usually reported killed in this district in an entire year.

The greatest number was bagged in Bruton Township (21), followed by Cardiff (13), Cavendish (12), Anson (11), and Guilford and Harburn with 10 each.

The black bear is considered a game animal and a license is required to hunt it. From September 1, 1964 to January 31, 1965 the combination bear-deer license ($5.00) or bear-moose license ($10.00) served this purpose.

If a resident wishes to continue hunting bear after the expiration of his bear-deer or bear-moose license he may purchase a "residents license to hunt bear" for $5.25. This license permits the hunting of bear from January 1, 1965 to June 30, 1965. There is no limit on the number of bear that may be taken.

TROUT SEASON ADVANCED

Fishing for brook trout (speckles) and brown trout has been traditionally associated with "May day", the first day of May, but this year angling for these species in some parts of the Lindsay District will be permitted beginning at 12:01 a.m. Saturday, February 27, 1965, and continuing until October 4, 1965.

For the next several weeks they will, of course, have to be taken through the ice, but you can bet the apearance of the purists of the trout-fishing fraternity, the fly fishermen, will coincide with the day the ice "goes out".

The earlier opening applies to the waters of Peterborough County in the Townships of Burleigh (not including Stony Lake), Anstruther, Chandos, Galway, Cavendish, Methuen and the part of Harvey Township lying north of Highway 36, and the waters of Haliburton County in all townships except Clyde and Bruton and the waters of Eyre Township in Lots 16-34 inclusive, Cons. 11 to 14 inclusive.

In all other parts of Peterborough County except those mentioned above and in Victoria, Durham and Northumberland Counties and Bruton and Clyde Township and the north east corner of Eyre Township (Lots 16-34 inclusive, Concessions 11 to 14 inclusive) in Haliburton County, the season opens May 1, 1965 and closes September 15, 1965.

The rainbow trout season opens February 27, 1965, and closes October 4, 1965, in Peterborough County in the townships of Burleigh (not including Stony Lake), Anstruther, Chandos, Galway, Cavendish, Methuen and the part of the township of Harvey lying north of highway 36; and in Haliburton County all townships except Bruton and Clyde and the north east corner of Eyre (Lots 16-34, concessions 11 to 14).

In all other parts of Peterborough County except those mentioned above and in Victoria County and those parts of Durham and Northumberland Counties lying north of No. 2 highway and in Bruton and Clyde townships and the north east corner of Eyre (Lots 16-34, Concessions 11 to 14) in Haliburton County, the season opens May 1, 1965 and closes September 15, 1965.

In those portions of Northumberland and Durham Counties lying south of highway 2 the season opens May 1, 1965 and closes November 30, 1965.

SPECIAL NOTE

Although we have indicated above that fishing for brook, brown and rainbow trout opens May 1, 1965 and closes September 15, 1965 in Bruton Township it must be remembered that fly fishing only is permitted in all the waters within Lots 15 to 33 in Concessions 1 to 13 inclusive in Bruton township except Kingscote Lake.

Section 15A (1) of the Ontario Fishery Regulations states that "no person shall fish in any of the waters set out in schedule 10A (the waters described above) by any means except an artificial fly", and section 15A (2) states "for the purposes of this section artificial fly means a single or double hook dressed with silk, tinsel, wool, fur, feathers or any combination of these, or other materials commonly used in making artificial flies but **does not include** a fly that has a spinning device or a weight to cause the fly to sink."

Another restriction which applies to both Bruton and Clyde townships is one that concerns the use of live bait.

Schedule 11 of the Ontario Fishery Regulations lists the waters in which the use of live bait is prohibited.

Included in this list are the following waters of the Lindsay District in the Provisional County of Haliburton.

(1) All waters in the township of Bruton other than Four Corner and Kingscote Lake.

(2) All waters in the township of Clyde except Big Clear Lake.

Bancroft Ties In Playoffs

The first game of the playoffs in the Junior 'D' series with Stirling was played at the Bancroft arena on Sunday afternoon before one of the better turn-outs of the season. The locals far from standard, took an 11 to 2 trouncing.

The second game was played in Stirling on Monday, February 22, with the local boys pulling up their socks, in a well played game won by the score of 6 to 3. The goal getters were Scott and Colman with two, Cooney and McCaw one apiece.

The third game was to be played in Bancroft on Friday evening, February 26.

Police Can Win Conviction

(Continued from Page One)

when police stopped the car the interior was filled with exhaust fumes.

Ontario Provincial Police Constable Stewart Brooks testified that the steering on the Swinson car was loose, the doors were loose and hard to keep closed and the rear seat was loose.

He said Swinson acquired the 1955-model car two days prior to the incident.

PERSECUTION?

During the lengthy hearing, Mel Cunningham, defence counsel, maintained that "This case has gone from one of prosecution to one of persecution."

He suggested police laid three charges against his client just because he was "smart alecky."

Mr. Cunningham said there was no basis for a careless driving charge.

"It boils down to the fact that if police want a conviction strong enough, they will get one," declared Mr. Cunningham.

Const. Brooks said the chase started after he saw Swinson throw a beer bottle from the car, while parked near the Kinmount Royal Canadian Legion hall.

He said as the cruiser approached it took off and cut across the Legion parking lot at a high speed.

The officer said, during the half-mile chase several beer bottles were thrown from the car by the occupants — five males and two 16-year-old girls.

He said he clocked the Swinson car at 40 mph travelling through the village.

He said the accused ignored the siren and the dome light and hugged the centre of the narrow road forcing an oncoming car to the shoulder.

Const. Brooks said when the Swinson car was finally halted, he found one full pint of beer on the rear seat of the car.

Const. Brooks described Swinson as being in a "smart alecky mood" and said all the occupants of the car denied ownership of the beer.

He said six beer bottles, all the same brand as the one found in the Swinson car, were found when he retraced his route.

Swinson told the court that the beer was purchased by Hugh Fountain, 19, of Kinmount, at Coboconk.

Questioned by Crown Attorney Lorne Jordan as to whether he had thrown a bottle from the car, Swinson replied: "I don't remember, I might have."

Later he admitted he did throw a beer bottle from the car as the cruiser approached.

KNEW FAULTS

Magistrate Munro said that deficiencies in a car which are known to the driver can constitute careless driving. He pointed out that although Swinson had owned the car only 48 hours it was obvious he must have been acquainted with some of the mechanical faults.

"If the magistrate is going to convict on this type of evidence it will not be necessary for police to undertake any investigations," argued Mr. Cunningham.
